## John Lennon's Handwritten Beatles Lyrics to the 1964 Hit "If I Fell" From A Hard Day's Night

Intro If I fell in love with you  
Would you promise to be true  
And help me understand  
Guess I've been in love before  
And I found that love was more  
Than just holding hands

① If I give my heart to you  
I must be sure  
From the very start that you're  
Gonna love me more than her

② If I trust in you oh please  
Don't run and hide  
If I love you too oh please  
Don't hurt my pride like her (sre)  
'Cause I couldn't stand the pain  
And I would be sad  
If our new love was in vain

③ So I hope you see that I  
Would love to love you  
I hope that she will cry  
When she hears that we are two

If I fell.
