

## EXT. ON THE CALIFORNIA RURAL ROAD

At the intersection of the main road there is a road block of Air Force vehicles. Several military police vehicles are blocking the road and MP's are now behind the vehicles pointing their automatic weapons at the oncoming ambulance.

DRIVER (O.S.)

What the f....

LIEUTENANT (on megaphone)

You in the ambulance. Stop your vehicle or you will be shot.

PASSENGER (O.S.)

Oh sh.....

## EXT. A RURAL PARK OUTSIDE THE LOS ANGELES CITY LIMITS

The ambulance and several Air Force vehicles are now in the park on the outskirts of the city limits of Los Angeles. Both the driver and the passenger are out the ambulance with their hands on their head as the soldiers are moving the two bodies out of the ambulance.

MAJOR LEE

Get moving soldier, , we only have two hours left to pull this off! Sergeant! Where is that damned chopper!

DRIVER (flabbergasted)

I don't believe this. We're being held up by the United States government. What in the hell do you want with those bodies.

MAJOR LEE (shouting)

This is none of your concern. Shut up and be quiet!!

CUT TO:

Four Air Force enlisted men are now removing one of the bodies out of the ambulance to wait for the helicopter.

DRIVER

Look. If you wanted the bodies you should have gotten them from the....

## NEW ANGLE:

A hairy hand falls out from one of the covered bodies, it is a female hand. We do not see the hand but both the driver and his friend sees the hand.

DRIVER (CONT'D)
