

EXT. AMBULANCE - LOOKING INTO PASSENGER SIDE

PASSENGER

Kind of strange though, both the police and military at an old condemned cargo ship.

DRIVER

Beats me. I don't know who or what was at that condemned ship. Either way, I still get paid.

PASSENGER

But why the military was there? And there are only two stiff in the back. Aren't you a slight bit curious?

DRIVER

Hell no. Not one damned bit curious. To me, A stiff is a stiff, that's all.

The passenger laughs at his friend's joke.

DRIVER (CONT'D)

I heard you're fooling around with the bosses wife. He's not going to like that.

PASSENGER

Yeah. Too bad for him, she's the one who came on to me. I was just minding my own business.

DRIVER

Yeah. I bet you were.

Both driver and passenger laughs.

The driver looks down the road, as he still is talking to his partner

DRIVER (CONT'D)

You better watch yourself because if he finds out what you're doing, he might...Hey. What's going on up ahead?

PASSENGER

Where? Oh yeah. I see it. What's going on.
