

LT. COL. ANDERSON  
We checked out everything, worked  
out every last detail. We're positive  
that this time it will work.

Tamara is perplexed by the colonel's last comment.

PROFESSOR TAMARA WALKER (being  
sarcastic)  
What do you mean by that? Is this  
that air force ingenuity I heard so  
much about.

LT. COL. ANDERSON  
Alright Tamara, you made your point.

PROFESSOR TAMARA WALKER (angry)  
Come on Michael! I heard that so  
many times it make me sick to my  
stomach. What you you think that  
this time you worked out every flaw,  
every problem so it won't happen  
again.

As professor Walker sits in her chair.

PROFESSOR TAMARA WALKER (CONT'D)  
So. Is that all Colonel. Are you  
finished, or do you have something  
else to say.

LT. COL. ANDERSON  
I do but I can't explain it to you  
here, but if you can be at the  
Cincinnati airport at 1 a.m. on Friday  
morning, everything will be explained  
to you.

PROFESSOR TAMARA WALKER  
What is so important that you want  
me at the airport on a Friday morning?  
Can't you explain it to me here?

LT. COL. ANDERSON  
Just be at the airport at 1 a.m.  
Friday morning and everything will  
be explained to you there.

Lt. Col Anderson is walking to the door and is just about to  
open it.

LT. COL. ANDERSON (CONT'D)  
There will be somebody waiting for  
you there. Please be on time.  
Because if you're not there, the  
plane will leave you.
